Redevelopment Fund-raising

Some of the funding we have been granted to assist with the building project, in order to improve facilities for community use, require that we should show the sponsors' logos on certain documents including magazines.

Dear Friends,

As usual when the time comes (by Jan's prompting) for me to write the letter for our magazine, my mind goes blank. I have learned over the years, rather than simply to stare at a blank computer screen, to start writing – anything, something, and usually an idea emerges from that.

So I just sat here (mind blank as usual) and typed 'Dear Friends' – and a thought bubble popped into my head. *Friends*. There is great evidence of the friendship that is shared within our congregation (and extended beyond our congregation). Friends are much needed in a world where so many live lonely and isolated lives. Thank you for the friendship you offer to one another. Thank you that this friendship goes beyond age, or interest or gender. As the song we sometimes sing in church says:

“We are people on a journey moving forward every day
With our friendship growing closer in our work and in our play.
And we learn about each other and ourselves along the way.
God's people journey on.”

Some of you have been in our church congregation for many years and have long established friendships. But others (including myself and Geoff) have moved into the congregation more recently. I know I speak for others, when I say that we too value the friendship we find here. One of the 'burdens' of itinerant ministry is that we move from one place to another, usually away from friends and family, to land in a place where we know nobody. Whilst this can be

exciting, it can also be daunting. When Geoff and I came to Swansea four years ago, we knew no one. Ministers and their families are in many ways dependent upon the friendship offered to them by their congregations. It's why I'm convinced that extending the hand of friendship to newer people in our congregation must always be a priority to us.

Another priority is extending the hand of friendship to others, even if only for a season. And the season of the nightshelter will soon be upon us when we offer hospitality and friendship to some of those who would otherwise be spending the night on the streets of Swansea. I'm hoping that those who volunteered to help last year will want to do the same this year – and also that others may want to join us. Please see elsewhere in the magazine for more information.

Underpinning all this friendship is something much deeper and even more meaningful. And that is our friendship in and with Christ. Whatever the differences in our ages, backgrounds or interests, we share something deeply significant in common. And that is our love for God in Christ. In John 15:14-15, this is what Jesus says about friendship:

You are my friends if you do what I command. I no longer call you servants, because a servant does not know his master's business. Instead, I have called you friends, for everything I learned from my Father I have made known to you.

Yours in friendship,

Leslie

CELEBRATING A HUNDRED YEARS OF FEMALE MINISTRY

September of this year marked the hundredth anniversary of the first woman to be ordained into the Congregationalist Ministry. Constance Todd felt a call to ministry while studying history at Oxford University, but the Presbyterian Church of which she was a member, would not at that time train women for ministry. But thanks to the foresight of Mansfield College, Oxford (where Noel and Kim trained) she was accepted as an ordinand.

As is still the case, training does not guarantee ordination, as ministers first have to receive a call from a church and even until recently some churches have been less than keen to have a female minister. Constance was not only well received by her fellow students but became engaged to one, Claude Coltman. They were ordained on the same day and married the next. An eventful and noteworthy occasion.

Following Ordination she was Inducted into Darby Street Mission with her husband, by the Principal of Mansfield College, Dr. Selby. They shared one stipend and for someone who had grown up with servants, to serve in a poor part of London during the privations of war must have been a great challenge.

Constance was a pioneer always interested in pacifism, and women's suffrage, she served in a number of churches in London and then in Cowley Road, Oxford. Her ministry a hundred years ago is all the more surprising in that the Methodist Church did not ordain its first woman minister until 1976!!

There was a female minister in my home church from the time I was at school, so for me, female ministry was a given. But I did rejoice when the first female Anglican priests (after a great deal of dissent) were ordained and the female Anglican Bishops elected, but there are still those who do not accept female ministry.

William Booth said, "I insist on the equality of women with men. Every Officer and Soldier should insist upon the truth that woman is as important, valuable, as capable and as necessary to the progress and happiness of the world as man."

In the Salvation Army, formed in 1878, women have always been able to hold any post. That is how it should be.

Give thanks for Leslie's Ministry.

MISSION AND OUTREACH TEAM REPORT

At our recent meeting we decided to adopt a suggestion from the **Events Team** and run two projects a year for six months each. This will allow us to support both **Commitment for Life** every year and also the **Methodist Circuit Project**, which for the coming year is **Ogof Adullum**, the drop in center for the homeless, currently run in Brunswick Methodist Church.

Our **Commitment for Life** project will be launched at the **Harvest Festival**, with a hunger lunch after the service. The focus will be on Bangladesh.

Don't forget that if you have a suggestion for a communion collection you can tell Susan G or any member of the team.

FROM THE METHODIST CIRCUIT

At the **Methodist Circuit Meeting on 5th September 2017**, the meeting agreed to re-invite:

Rev Leslie Noon for 3 years,

that is from September 2018 to August 2021.

Rev Howard Long for 5 years,

that is from September 2018 to August 2023.

Rev Siperire Mugadaweta for 2 years,

that is from September 2018-August 2020.

These were the number of years each Minister had requested to be re-invited. The Current invitation of these ministers expires in August 2018 and the re-invitations are from that date.

On behalf of the Circuit Stewards and Circuit's Invitation Committee I want to thank you for your co-operation with this process. I was very pleased with the number responding from Uniting Church Sketty. I know many of you were not happy with process. For your information we had to follow the process laid down for all the Methodist Circuits in the Connexion.

COMMUNION COLLECTIONS FOR OCTOBER

Collections in October will be for the **Operation Christmas Child shoe boxes**. The money allows extra fillers to be bought and may go towards the cost of sending the boxes.

As many of you will know, the shoe boxes are filled with presents of toys, stationery, toiletries etc. and sent to children across the world who may have nothing at Christmas.

THANKS FROM THE S & G TALKING MAGAZINE

The S&G Talking Magazine team thank the leaders and members of UCS for their support in allowing us to share the church office. This has made a big difference financially as, although we make a contribution, it is not the expense we were facing before. Everyone has been very tolerant and we thank them for it.

In case you were wondering, we issue a monthly recorded magazine containing articles from the Evening Post and other information of interest to vision impaired people. We have also recorded many of the Local History books about the area. It is a free service. If you are vision impaired and would like to receive the service, please contact Jean K

THANKS FOR YOUR SUPPORT ON THE GREAT NORTH RUN

I am delighted to say that not only did I finish the run, but I improved my time by 6 minutes; now 1hour 45mins. Many thanks to everyone for your good wishes and financial support. My running mate and I added £957.00 to the Heart Foundation coffers.

SKY JUMP FOR WALES AIR AMBULANCE

On **Friday, 15th September**, I successfully completed my Sky Jump at Swansea Airport. I now wish to thank our very generous church, UCS, because thanks to your kind sponsorship, I have raised over £700.00, that can now be given to Wales Air Ambulance.

I would also like to thank the pilot who took me up in the air and then opened the door. I am now jumping with joy and relief that we didn't have to call Wales Air Ambulance! Thank you all.

HARVEST FESTIVAL ON SUNDAY, 15th OCTOBER

We will be celebrating our **Harvest Festival on Sunday, 15th October**. During this service we will be launching our new appeal for **Commitment for Life**, which this year will focus on Bangladesh, and will run for six months. Following the service we will share together in a **Hunger Lunch** of bread and cheese, asking that money you may have spent on your Sunday lunch be given to **Commitment for Life** instead. As usual, our harvest gifts will go to the local foodbanks.

OUR HARVEST FESTIVAL

Our harvest festival this year, will be on **Sunday, 15th October**. As has been our practice in previous years, we are asking everyone to kindly bring in **tins and packet food only**, to decorate the Church and Wesley Room area. The items are then being donated to the **Food Banks in Swansea** on the Monday morning. Please kindly remember, that we cannot donate fresh, perishable food. If you are able to bring some items for the Harvest Festival, the **Church will be open on Saturday, 14th October between 10am and 11am**, or you can bring your items to Church on the Sunday.

On behalf of the food banks in Swansea, as well as all those families who need to use them, can I say a very big thank you in advance for your kind and loyal support.

OPERATION CHRISTMAS CHILD

Yes!!! We are already at that time of the year.

Last year over 12,490 children received a shoebox that had been processed through the Swansea warehouse; those boxes were sent to Liberia and Serbia. We do not expect to know which countries we will be allocated this year, until the processing system is in operation. The countries are decided by Headquarters by comparing numbers of boxes needed with the boxes in the warehouse and their collection availability. We can, however, be assured that wherever the boxes go, those needy children will benefit from the thoughtfulness of the givers.

As a starter to our current campaign, we are hosting the **Coffee Morning on Saturday, October 7th, from 10 till noon**. The money raised will help provide us buy fillers for those boxes not as generously filled as those we receive from UCS. It also helps top-up the "transport" donation which has been increased to £5. You may think that a very large increase but we all know how expensive it is to post any parcel in this country so that the money requested is actually very small compared to the real cost. This donation also provides the assurance that the box will reach its destination of a needy child. Those who have witnessed the delivery of the boxes are able to tell us of the joy these boxes give. They tell how a smile

lights up a normally solemn sad little face making all the small sacrifices we might make so worthwhile.

So please we look to you to generously continue to support us this year as you have for many years. The leaflets giving details are available from the donations box in the church walkway. Wesley Club will be holding their usual packing evening on Monday 6th November to which everyone is welcome. The filled boxes will be blessed on Sunday 19th November, before being transported to the warehouse the next day.

We also welcome volunteers to help in various capacities in the warehouse. The warehouse, probably the same one as last year in the Enterprise zone, will be opening about the 7th November for approximately 4 weeks from 9am to 4 pm Monday to Friday. You would be very welcome for the whole period or simply for 1 hour per week. For further details please contact either Linda or Alan J. Once again many thanks for your past generosity and thanks for what we trust will be your continuing help this year. With so many crises in our present world there are so many children in need of a small gift of love that we can provide.

PLEASE HELP US!

ZAMBUKO RA JEHOVAH

Siperire spoke about this project for AIDs orphans in Zimbabwe at a recent circuit mission meeting. There is now over £20,000 in the account which will look after the orphans for some time. On her recent visit to Zimbabwe, she was able to sort out a problem over the distribution of clothes and also dealt with a misunderstanding between the headmasters of junior and secondary schools. Some older children hadn't had school fees paid. Siperire has now sorted this out, but it has resulted in the charity supporting 37 children for the time being as she had to pay for some secondary school children who had been missed. Her intention is to support them until they are 16. She also aims to set up a workshop, where they can be taught gardening, welding, sewing etc. to allow them to support themselves. The bank balance is healthy for the moment, but Siperire may ask for help again in the future, to achieve the aim of seeing the children through to adulthood.

METHODIST MEMBERSHIP CARDS

The Methodist Church has traditionally given Membership Cards to all members to remind them of what it means to belong to the church. After considerable discussion last year, it was felt that because this process divides us between URC and Methodist, that we would NOT automatically give Membership Cards to our Methodist members. Instead they would be given only to those who requested them. A small number of our congregation did request these cards, and they will be receiving them shortly. This is just another opportunity for anyone who wishes to receive their Methodist Membership Card to let me know.

RE-IMAGINE FORUM – SATURDAY 18 NOVEMBER

“A day for those interested in revitalising church” which, I hope will be most of us here in UCS!

We are being encouraged to bring a team of people from our church to attend this day in Newport. It will explore different ways of being church in the 21st century, it will offer practical support to move from ideas to action.

I already know of a few people who are interested in attending this day with me! But I hope there will be more. Would you be interested? If so, please let me know. It will be an early start, but we can arrange to share travel. It's free and lunch is provided! However I will need to book us in, so if you are interested in the future direction of our church, please see me.

BREAKOUT CHURCH – SUNDAY 19 NOVEMBER

We are always on the lookout for new people willing to help plan our Breakout Church. We work together as part of a team – do you fancy being part of it? If so, see Leslie.

NIGHT SHELTER

We will once again be playing our part in the **Swansea Night Shelter** scheme by hosting the night shelter on Saturdays, between the 6th January and the 10th February. Last year large number of people from our church helped in different ways – from being on one of the shifts (evening, overnight or morning), to doing some cooking, making deserts, opening up to receive the bedding, doing the shopping. Each night that we do the shelter, we probably need around 15 people to cover the shifts – plus others who will help in other ways. If every volunteer offered to do two shifts, that means we need 45 volunteers. If you helped last year, I very much hope you will be able to do so again this year – in due course forms will be available for you to say what days and times you can do. If you haven't helped before, please consider if this is something you would like to do.

New volunteers **MUST** do an evening training session, which this year is on the **12th and 24th October**, at **Parklands Evangelical Church**. Returning volunteers must do a shorter refresher training session. There will be a number of these, but the one at our church will be on **Saturday, the 5th December** (time tbc).

So if you are interested for the first time, have a chat with Leslie. If you are willing to volunteer again, look out for the forms which will appear around the end of October.

Thank you in advance!

A VISIT TO THE THEATRE

After last year's successful production of 'Oliver', the Abbey Players are presenting another Dickens classic - 'A Christmas Carol', a festive delight for all the family. With music by Alan Menken, whose credits include 'Sister Act' and 'Beauty and the Beast', I am sure we are in for another treat.

I have made the usual block booking for the matinee performance on Saturday 25th November. This performance starts at 3.30pm. The Abbey Players will be doing an additional performance on the Saturday at 11. 30 am., as well as their usual evening performances which will run from Wednesday, 22nd through to Saturday, 25th. The seats are £13.50 and £15.50

If you would like to attend any of these performances either add your name to the list on the notice board in the Church foyer, or contact me.

BETHEL BUILDING

At our recent Church Meeting we heard that the Swansea Coptic Orthodox Church may be interested in buying the Bethel building from us. We are in the process of ascertaining legal and other implications of this, and when we have all the information to hand, we will start the process of deciding whether or not to declare the building redundant from our use, and therefore available for purchase. This is an important decision for our church to make, so please look out for details of meetings in due course.
