Redevelopment Fund-raising
Some of the funding we have been granted to assist with the building project, in
order to improve facilities for community use, require that we should show the
sponsors’ logos on certain documents including magazines.
Dear Friends,

I think in many ways the world is defined by relationship. Good relationships, poor relationships – they impact on everything. The UK’s relationship with the rest of Europe (both perceived and real) has led to the story behind Brexit. And relationships within the UK over Brexit has led to an era in politics not experienced before – and who knows how all this is going to end?

God is also (for Christians) defined by relationship. At the heart of God’s nature and being, we experience God as Father, Son and Spirit – in a perpetual relationship with each other.

The Bible speaks to us of relationship – relationship with God and relationship with other people – every narrative, every law, every letter is essentially about relationship.

And we know as people, how important relationships are in our own lives. Of course, our relationship with God, but also our relationship with others. When we experience good relationships, life is generally positive. But when we experience poor relationships, life can become difficult and painful.

The Swansea Night Shelter is all about relationships. Those of us who have volunteered again this year have met guests who, very often, do not have positive relationships in their lives – possibly since childhood. This leaves them ill-equipped to deal with life which can lead to poor choices and difficult circumstances. The Night Shelter seeks not only to offer them the opportunity to engage with services that can help them, but also to model positive relationships over a meal and with conversation.

It goes without saying that Church is also about relationships. With God, with each other and with the world around us. With this in mind, at our
last Church Meeting we discussed the idea of twinning with another church. **Church twinning** is a way of developing partnerships and relationships that take us beyond national boundaries, to work with Christians in another part of the world. Church twinning reminds us of Paul’s metaphor of the Body of Christ: each part of the body needs the others.

The Church Meeting agreed to explore further the possibility of twinning with the Paulus Church in Kaiserslautern, Germany (following an email from their Pastor). In order for twinning to work well, there are guidelines available, and the churches themselves must be sure to set up clear hopes and expectations of what might be achieved and how. A small Twinning Group will therefore be set up – and needs members! If you are interested, please let me know. We need to begin to move on this soon.

We were reminded in the church meeting of the importance of relationships with other churches in Sketty and Swansea. Let’s celebrate the working together with the Night Shelter, and our joint prayer meetings with the Seventh Day Adventist Church – but let us also seek to extend this when and how we can! If anyone has any ideas, please let me know.

Lastly, having mentioned the Night Shelter, I’d like to thank everyone who volunteered both on the shifts and those who did shopping and dessert making. It wasn’t without it’s challenges this year, but I’m so glad that so many people in our congregation and beyond were willing to put their faith into action in this way.

Thank you!

With love,

Leslie
Last month our offering during communion supported the work and ministry of Open Doors, which I welcomed wholeheartedly, as charities like Open Doors are very close to my heart. I am deeply concerned for the plight of our persecuted sisters and brothers in Christ.

Open Doors informs us that Christians remain one of the most persecuted faith groups in the world (200 million). 200 Christians have been killed every day of the 21st century so far! Pakistan and Nigeria had the most violence recorded against Christians. While persecution of Christians takes many forms, it is defined as any hostility experienced as a result of identification with Christ. Christians throughout the world continue to risk imprisonment, loss of home and assets, torture, beheadings, rape and even death as a consequence of their faith; all too often risk turns into reality.

As a church, we have been privileged to welcome and offer a spiritual home to a family who experienced such severe persecution that they had to flee their home and country. Looking back on my early childhood we, too, as a family, were faced with the threat of persecution, when we lived in East Germany behind the Iron Curtain.

It is a very valuable gesture to send a no-doubt sizeable donation to Open Doors from our offerings, but for those, whose hearts are stirred by the issues, there are further ways of taking action over and above any financial giving, e.g.:

- write to your MP to ask them to place the issue of persecuted Christians (and any others who are persecuted for their faith and conviction) higher up on their agenda;
• to support organisations like Open Doors, as they seek to help millions of persecuted Christians worldwide with practical care, legal advice, trauma care and training;
• to commit to pray for sisters and brothers around the world, for whom following Jesus comes at a great cost and requires immense courage (the apostle Paul encourages us in Galatians 6:10: “As we have opportunity, let us do good to all people, and especially to those who are of the household of faith”).

May all our actions and prayers be underpinned by our constant appreciation and gratitude that we can live without the fear for our lives, when we gather together for public worship on Sundays, when we are free to speak openly about our faith in Christ (and at worst reap ridicule or mockery!), when we have the freedom to gather in our own homes to pray with our fellow Christians and when we simply own a Bible, let alone read it!

COMMUNION COLLECTIONS FOR MARCH
Our Communion collections in March will be for our local charity HUFDs, Hands Up For Downs. As I am sure you all know, this is a very local charity set up in 2014, to support families who have children with Down's Syndrome. They are the only group who offer this facility and as there are no paid staff and no premises, every pound raised, is spent on the children. The largest expenditure is for speech therapy; approximately £45,000 a year for this.
On the 21st March, it will be World Down’s Syndrome Day, therefore our March communion collections will be extremely appropriate. Our thanks in advance for your generosity.

BROWNIES BUZZ

We have eight Brownies, aged 7 to 10 years in our pack at the moment, but there is room for more. If you know of any girls who might like to join, please contact Brown Owl, Rebecca.

In September, our Brownies went on a pack holiday to the Guiding Activity Centre at Parkmill, where they learned ways in which Christmas elves can be helpful. They also cooked breakfast, pancakes and lunch, jacket potatoes, vegetables, and pears for dessert. Before they left Parkmill, they had to clean the toilets!

In December, they went to the Grand Theatre to see Cinderella.

At Brownie meetings, they prepare badges which are called Skill Builder badges, such as design, technology and science. At present they are completing their engineering badge. At home they prepare Interest badges, such as archaeology, dancing, baking, grow your own and local history.

4th Sketty has just started a Rainbows Group for younger girls, aged 5 to 7 years and they are also looking for more members. There will be more news about Rainbows in a future magazine.

CUBS ARE COOL

Our Cubs are now part of the Sketty Scout Group. Our Akela is Julia.

In October, some of our Cubs entered the district chess and draughts championship. Oliver won the draughts competition and William came first in the chess championship.

In December, the pack went to the Guide/Scout HQ at Bryn Road, where they celebrated Christmas around the world.

After half term they will be going to Parkmill, where they will camp for a weekend of fun, games and activities.

Hi everyone! Mitre here to say, “Woof and Goodbye for now!”
I have been invited to go to the illustrious, advanced training school in Leamington Spa. I am so excited!! I will be leaving Swansea on **Thursday, 14th March**, to take up my place.
But, I couldn't go without thanking you all for helping me to become the dog that I am today. I am going to be the best that I can be and will let you know how I get on.
Love to you all.

Mitre

THIS IS ME IN MY SCHOOL UNIFORM.
RATHER HANDSOME DON’T YOU THINK?
18 years ago, a very unassuming lady gave Mum a script entitled Lad in a Manger. The lady said, “I bought this, because I thought you might do it in church.” And so it started. 16 pantomimes later, our church and all the various charities we have supported, are very grateful to that lady for the money our pantos have raised. Perhaps more importantly, MADCAPs and our church family, have wonderful memories of laughter and caring, fun and fellowship from those shows. So tonight, we say a huge "THANK YOU" to that lady, Mrs Maisie H.

GRATEFUL THANKS
Travelling these days is fast, but to get "Around the world in 80ish minutes" is really super fast! What a joyful evening Madcaps provided again this year, taking us from Swansea to China, Africa, The Arctic, USA, Australia and back to good old Wales. All the characters, young and not quite so young, played their parts exceptionally well and the costumes and scenery were wonderful. It is amazing how Jan, the writer and producer, has such a wonderful imagination and works her Madcaps to high standards with their loyalty and dedication, plus all the backroom assistants, technicians, all who do the bits and bobs, preparing the hall before and after the show.

With all the fun and laughter, we were left with a needful message that we are all one, despite our various differences, and how we should appreciate our homeland of Wales. Many congratulations, and thanks to you Madcaps, for an excellent show, given as always in aid of Charity, this year’s being Ty Garncoch Dementia Centre. May you continue travelling along the charitable road.

A SUPERSONIC INTERNATIONAL TONIC!
John Wesley said, “I look upon all the world as my parish.” Our panto this year, so echoed his words, as we embraced our human family from all continents; what a culturally diverse extravaganza! Amazing Madcaps actors, who performed an all embracing international script. Fabulous costumes and beautiful backdrops; Port Talbot may have Banksy, but we have Lynne W! Excellent music supplied by our technical magician, Les W! Perfect production and direction. Oscars to you all! Well done.
Jan T

THANK YOU, THANK YOU, THANK YOU!
Firstly, to every one of my panto crew, on stage, back stage and front of house. Thank you for your patience and support, your encouragement and tolerance and of course, for making a successful show. In your own special way, each and everyone of you, youngest to oldest and all those in between, have been wonderful. Secondly, to everyone who attended the performances and enthusiastically joined in to make a pantomime what it should be. Additionally of course, for buying a ticket which meant you were effectively making a £7 donation to the Dementia Unit. If you bought a raffle ticket you added a further £1, not to mention buying ice creams and drinks which added to the total income. Finally, a thank you to those of you who were not able to be with us, but made special donations and/or offered your prayers and words of support. All serve to remind us that our disparate Madcaps are not simply a drama group, but are part of our wider church family. As always, Madcaps are meeting the cost of the production, which means that thanks to all of you mentioned above, we will have £1,600 to donate to this year’s charity. Also, MADCAPs will make their usual donation of £300 to our church for use of the hall etc..

EASTER OFFERING
The envelopes will be available in church from **Palm Sunday** onwards. If you require an envelope before then, please see Janet N. Easter offering envelopes, are our annual way of supporting projects instigated by **Methodist Women in Britain**, MWiB/formerly Network. These projects are usually long term projects, to help women earn money to enable their children to attend school, with uniforms, shoes and other equipment which they need. The money may be earned by selling fruit and vegetables, eggs, clothes they have made or knitted, having been given seeds, chickens, goats, bees and other equipment to enable them to start earning money. Some women work in groups in their villages as the projects expand to include learning about healthcare, animal welfare, and, seeing that their children are being educated. They also want to learn to read and write themselves.

LEAGUE OF LIGHT BOXES
Good morning to my **League Of Light Ladies**, and no I am not being sexist, as sadly to date, we have no League of light Gentlemen. With the pantomime over, I can now turn my attention to the second annual event in my church calendar year, the collection of our boxes. I would be grateful if you would bring these to church asap.

If I am not around, please can you give your box to any of the stewards who will store it for me. If you need to have your box collected that is no problem, just give me a ring or an email. Thank you in advance for the contribution you will be making to this special cause.

BIG DAY OUT (National Synod of Wales)
Saturday, 29th June, at the Royal Welsh Agricultural Showground.
Jesus said, "Follow Me". Come. This will be a day of worship, activities, workshops, time to chat and eat! This event happens every two years and is an enjoyable day to spend with members of other churches; many united churches. I hope that there will be a group of us able to go. Those who went last time thoroughly enjoyed it, so please put it in your diary.

CYMANFU GANU
On Sunday, 4th August at 6.30pm, we will be worshipping as a circuit and with other local churches in a different way. We will be holding a Cymanfu Ganu, singing hymns in Welsh and English, and, hopefully, with other traditional Welsh music. The service will be led by Rev Dr Noel Davies.
You may wonder why? The reason is that I have cousins visiting from the USA and we thought it would be a good idea to introduce them to our culture, although they were brought up singing Welsh hymns around the piano. Two sons of my great great grandparents emigrated from Taibach and these cousins are their descendants.
In April, there will be a box in the porch for you to put a piece of paper with the name and title of a hymn which you would like sung. Only one hymn per person, please....!
So, this message gives you time to choose, which will not be an easy task!
Please do not put your name on the slip of paper. The hymns with the most votes will be sung in August.

QUOTES’ CORNER:
Just a little something to make us think:

LIVE, LOOK, LOVE
If you feel depressed,
Don’t pop a pill
inside your head;
Feed a seed
to a bird instead.
Care, share, stare,
Live, look, love.
You are never alone
in the world of nature,
God is with us
every step of the way.
Live, look, love today.
Don’t throw it all away.

Jan T

PLEASE WRITE AND SHARE
We all sometimes need, “.... time to stand and stare”, but perhaps we should also find time to write and share! We are all on a journey of life and hopefully a journey of faith, learning about this great big wonderful world. Sometimes we need to remember that we are all on the journey together. So let’s share our experiences and help one another along the way.
FINDING FAMILY FOOTSTEPS
While my daughter Hilary and husband Mike were enjoying a cruise in America and Canada last year, they turned up some evidence of my mother's emigration from Scotland to Canada in 1927 at the age of 21, to take up a nursemaid’s position. Her account of their exciting discoveries follows.
Caroline C

IN GRAN’S FOOTSTEPS
When Mike and I booked our October 2018 cruise, from Boston up along the New England Coast, in the hope of seeing the autumn colours, we were pleased to note that it would also take us into Canada, as we had loved our West Coast/Rockies Canadian holiday, the year before.

On Tuesday morning, 16th October 2018, our cruise berthed at Pier 22 in the port of Halifax, Nova Scotia. As we were walking into the town, I suddenly remembered that my Scottish Gran had once mentioned Halifax. I knew she had spent some time in Canada, way back in the 1920s, as a nursemaid with a Canadian family. We had learnt on board, that Halifax had been the “Ellis Island” of Canadian immigration in its heyday and I just wondered, if this had possibly been the very place where Gran entered Canada all those years ago. Pier 21, the main immigration entry point, was now a modern museum and customs office.

As we still had a short time left before re-boarding, Mike encouraged me to go into the data bank research facility based there. The lady at the pay desk, showed us the data base office where a lovely young woman, called Dana, asked if we were just looking, or could she help us. I knew Gran’s maiden name of course, and took a rough guess at the year she might have reached Canada. Within seconds, Dana found a reference to Georgina Douglas! As we researched further, it became evident that this was indeed Gran, and we had found the actual ship passenger list, both
from Scotland in 1927 to Halifax and her voyage home from St John’s, Canada in 1931!

Dana then extended the search to the ships referenced and also threw in the papers of the background and operations of Piers 2 and 21. What a result! Just a last-minute, spur of the moment idea! Dana seemed almost as excited and emotional as us and commented on what a lady Gran must have been. At just 21, on her own, undertaking such a journey to a new life, in January of all times when you could probably have done with half a dozen coats to cross the North Atlantic on a steam ship 3rd class!!! I said, “Ah well, she was young.” Dana said that she was 25 and that she wouldn’t have done it! We walked back to our ship with new eyes, wondering if we were walking on the very ground that Gran had walked on. From the upper deck of our ship, we noted the railway tracks leading away from the port, one still with a train waiting to depart; just as Gran had travelled onward to Toronto, by Canadian National Railroad.

If that wasn’t enough, we found ourselves, the very next day, in St John. Once again, we found we were docked in the same area of the port as the old steam ships would have berthed. We had time for a quick visit to the very modern nearby local town library. We were directed to the reference section upstairs, where another friendly, helpful young lady, offered to print out any passenger lists etc. from newspapers of the day and email them to us if we sent her the details when we got home. What a service!

Again, as we walked through the locality, noting particularly, as in Halifax, the old church steeples, we wondered which other landmarks might still remain, that Gran may have seen on her departure about 90 years ago! Although it was rather sad to sail away so soon after this “voyage of discovery”, we realized that Gran, too, may only have been in these ports a day or two, passing through, a transient traveller, just like us!

Hilary O
You can imagine the family excitement when Hilary returned with these and other relevant documents! But this was not the end of the story. Dana, the data bank lady, emailed Hilary copies of the actual ship’s passenger lists for a certain Roy Gardner, who Hilary had mentioned.

Roy Gardner had returned to Wales on the same ship as my mother. They became friendly during the voyage, but after a brief correspondence, his brother John took over. After a while, at his invitation, my mother visited Swansea and they were married in Wesley Chapel in August 1933!! Unfortunately, the chapel was later destroyed in the three nights bombing of Swansea, during WW2.

So here we are, present day. A daughter, 4 grandchildren, and a great-grandson; all the result of an extraordinary sequence of events.

A BIG THANK YOU FROM JOAN AND JOHN
Joan and John P would like to express their gratitude to all their friends in UCS for the many cards and messages of loving support received during Joan’s recent stay in Morriston Hospital and later Gorseinon Hospital. Joan suffered a fall a few days after the TAVI procedure, which set back her recovery. However, she is now rapidly regaining her confidence to walk unaided about the flat.

OUR LOVE AND BEST WISHES TO RUTH A
Ruth A has recently had a nasty fall, resulting in an operation. Our love and thoughts to Ruth as she makes a steady and full recovery.

OUR LOVE AND BEST WISHES TO GRAHAM B
We pray that Graham will have a speedy return to good health as soon as possible.

EXCITING NEWS FROM ANDY AND BOB

Some of the participants will be staying overnight on the **Church premises, 8pm to 8am Friday night and Saturday night**. This should not impact other users. Please don’t remove any temporary notices left on doors etc. if you are in the building on Saturday.

MESSAGE FROM PAULINE
My granddaughter, Jessica, Jenny’s daughter, is a member of the 1st Margam Guides in Port Talbot. She has been chosen, through a selection process, to attend an international camp at the Icelandic Scout Outdoor Centre in Iceland in August. She is the only one chosen in the local division from 200 guides all over Wales. Of course, this means raising funds; she has to raise £1750, to attend. She has already raised over £450 herself and proposes to hold more events to reach her target. If you have any connection to Guiding or Scouting, you will know what a wonderful experience this can be. If you feel you could support her in some small way, it would be really appreciated. Please see me to sign a donation form or take part in a ‘sell a date’ type raffle, choose a date in 2019 for £1, where you can win £50. Thank you.
