Redevelopment Fund-raising
Some of the funding we have been granted to assist with the building project, in order to improve facilities for community use, require that we should show the sponsors’ logos on certain documents including magazines.
FROM THE MANSE

Dear Friends,

I wonder what belonging to our church family means to you? Recently a number of people who have been experiencing difficult times, through illness and bereavement, have said to me that they don’t know how they would have managed without their church family to support them. This support comes through practical help as well as emotional help.

Being there for one another is so vital, especially when these days families can live so far away, so that our church family literally is our family. This is something to treasure – and it’s also something we must all work at. For perhaps not everyone feels as connected as those who have recently expressed their thanks to me; perhaps some people feel ‘on the edge’ – and as a church family our role must always be to look for those who feel this way, and gather them in, in ways which they are comfortable with. So on Sunday mornings, look around you and think – who is new, who might be lonely or struggling, who is missing – and then speak to that person or ring them. Our pastoral list has around 170 people on it, and so we need each and every person to play their part in offering support and care for one another.

Speaking of our church family, we have some wonderful news to share! Atif, Saima, Elisha, Maresha and Angel have been granted their British Citizenship! This is wonderful news! They are all very much part of our church family and we rejoice with them and thank God for them. And because our church family has been so important to them since their arrival in the UK, they would like to
extend a welcome to everyone in church to come and share with them in their Citizenship Ceremony.

This is on **Monday 22nd July at 3pm at the Civic Centre**. Atif and Saima have arranged to have a personal Citizenship Ceremony, which means there is room for up to 60 of us to go from church. Wouldn’t it be fantastic if we can fill these 60 places, a visible reminder of the importance of church family in all our lives.

A sign up sheet is on the board in the entrance. Please sign up if you are coming. After the ceremony we will come back to church for a cup of tea, so that we can continue to celebrate. After the summer holidays we will mark the occasion in a church service and in a bigger celebration, so listen out for more details.

With love,

*Leslie*

**Transport questionnaire**

Another way of showing practical support is by offering lifts to church friends. If you would like a lift to church, or if you can offer a lift to church, please fill out the Transport Questionnaire which is enclosed with this magazine and return it to an Elder, Steward or place in the box in the church entrance. Thank you very much.
RAINBOWS ROCK
For the first time this year, we have a group of Rainbows meeting on our premises (girls aged 5-7). There are 11 girls in the group at the moment. In recent weeks they have been to the playground in Park View Terrace to have some fun. They have also been on trampolines – but not at the playground! They have also drawn on and coloured flower pots and then left them on someone’s doorstep as a random act of kindness. They have been to Bishop’s Wood, Caswell, looking for bugs. They also built a den and then threw water all over it to test if it was waterproof. They visited Pets at Home, where they stroked animals. They have completed their engineering badge and are working towards their feel good badge, during which time they will learn more about emotional health. Some badges are completed at Rainbow meetings, whilst others are completed at home. Once such badge they have all done is the drawing/artist’s badge.

MARIE CURIE COFFEE MORNING
A huge thank you to everyone who helped me at the coffee morning in June. Without help I could not raise such a tremendous amount of money. I am absolutely delighted to be able to tell you the total amount raised for Marie Curie is a staggering £596.85; this includes Gift Aid. I send my heartfelt thanks for your amazing generosity. This will provide 30 hours of nursing care for people with terminal illness.
Again, thank you so much.

CHRISTIAN AID 2019
As a result of all our efforts, which this year included two play evenings, we have exceeded the contribution we made to Christian aid last year by over £500. Our grand total this year was £2219-08. So, to everyone who contributed in any way, particularly perhaps Gillian Sharpe, author of our play, who allowed us to perform without any license fee, it's a "thank you" from me and a "thank you" from them. The "them", being all the people across the world who will benefit from your generosity.

UPDATE ON ZIMBABWE FOR COMMITMENT FOR LIFE
“I don’t know what to do anymore ... things have got so bad.” This is a quote from a minister in Harare, the capital of Zimbabwe. Almost everyone in Zimbabwe has seen his or her assets and wealth disappear. The country is suffering the accumulated effects of prolonged economic decline; poor governance, loss of income, a withering democracy and to add woe to misery, climate disruption. Commitment for Life is committed to an ongoing caring partnership with Zimbabwe. Through Christian Aid partners, we aim to reduce poverty and protect the environment. Your prayer and support are deeply valued.

CHURCH FLOWERS
The picture below is of Audrey W. Many of you will remember Audrey as a very regular church and Wesley Club attender. Audrey is now living at Rosecross Home in Penlan and is not therefore able to be with us as she once was. Recently she celebrated her 96th birthday and we sent her flowers to remind her that she is not forgotten. Her daughter, Sue, said the flowers brought a smile and a tear. This serves to remind us to reiterate our thanks to the givers, arrangers and deliverers of our church flowers. Flowers given to our church family as a reminder that we love and care for them in times of sadness and celebration, whether they are with us or not.

COMMUNION COLLECTIONS IN JULY
In July we will be collecting for Sightsavers, an international charity working to prevent avoidable blindness. They treat conditions such as cataracts, trachoma where lashes turn inwards, river blindness which can be treated with antibiotics, and glaucoma. The charity also campaigns for those with disabilities to have full access to education and employment.

COMMUNION COLLECTIONS IN AUGUST
Our August collections will be for Muscular Dystrophy UK. This supports 70,000 people in the UK with muscle wasting conditions, providing information, resource and support for sufferers, families and professionals. It also funds research.

THE COMMUNION COLLECTION IN AUGUST

Our August communion collection will be in aid of Muscular Dystrophy. Many people “mix up” MD with Multiple Sclerosis. MD is a neuromuscular condition, when, due to faulty genes, people’s muscles atrophy (waste away).

There are 60+ types of neuromuscular disorders. The one which many people have heard of is Duchenne MD, which affects boys. Some sorts of MD have been in families for generations, as in my family. But, on the other hand, where the genes of parents don’t “match” very well, a family suddenly finds themselves with a devastating diagnosis....the first in their family. MD is then usually an “illness” of which they have no knowledge whatsoever. Imagine the effect on the family!

This happened to a family I know. Let us call their son, Jack. Jack is now a teenager and is permanently in an electric wheelchair. When he was in primary school he developed OCD, and amongst all his physical problems, which were worsening, he was unable to touch his younger brother. Now he is starting to worry about whether he will be able to cope with his GCSEs in two years time. In the midst of this his mother decided to leave the family home.

So, MD sufferers don’t just have physical problems and needs, but they also often have psychological problems too. In the past few years this has begun to be recognised and MD UK is putting specialist counsellors in place.

Thanks to your generosity at communion collections we have been able to help many charities. The money collected, in August, we hope will be given to a local family for them to spend on something that would help the sufferer in the family, as the family knows the needs better than we do.

NEWSFLASH FROM ME MITRE IN LEAMINGTON!
I had a surprise visitor last week. I didn’t know, but she followed me through town while I was practicing all the new things I have been taught! I am pretty confident now and love to know I have got things right, giving a smile and a wag of my tail. Then back at base, I had a reunion with her which was fab. I think she enjoyed it too! Not long until I move onto my next stage of training and meet someone who needs my help and companionship.
Will be in touch. Love to you all.

YPF COFFEE MORNING ON SATURDAY, 6th JULY FOR GUIDE DOGS

The YPF are holding a Coffee Morning on Saturday, 6th July from 10am to 12noon, for Guide Dogs. We are thinking of having a stall of audio books, so if anyone has any unwanted ones, can you please speak to Jackie Coates who can come to collect if necessary.

Also on the day, we are hoping to have a lady present who paints flower pots and can paint them to your requested flower design. She will bring some plain ones with her, but if you want to bring your own flower pots to paint you can do this on the day. They need to be Terracotta only and clean.

We are continuing to collect the bags of loose change and will collect until the end of June. Thanks to all who have given to this.

Role Play

Since the beginning of time, humans have told stories. They have painted them on the walls of caves, handed them down through generations, told them around camp fires. Today we tell stories through film (Reel to Real), books (Cover to Cover) and of course television. Stories – real or imagined – help us to make sense of life, help us to experience the world beyond our own, help us to empathise and learn.

The Bible is full of stories – indeed it was Jesus’ main way of teaching. Stories and accounts handed down from community to community were eventually written down. But so often when we study the Bible, we do so using our heads. We ask ‘head’ type questions and have ‘head’ type discussions. Of course, this is good, but it doesn’t have to be the only way. Using our imaginations to enter the story is another way. Our Summer Faith and Fellowship sessions are going to attempt this! We’re going to be looking at stories from the Bible and entering into them using role play! For a great many people this is a real eye-opener, bringing the biblical world and its characters to life in a way never before experienced. Others find it more difficult – but you never know until you’ve tried it! So why not come along and see what you think. For each story, as well as having participants who will role play, we will need participants who will observe. So there’s definitely something for everyone. Come along, be with us and try it out!

July: Tuesday, 23rd at 10am and Thursday, 25th at 7.30pm
WORKING TOGETHER WITH OUR SISTER CHURCHES IN SKETTY

There are some areas of Swansea where there is excellent co-operation between the different churches – Clydach and Mumbles are two such examples. In Sketty this has pretty much completely been lost (apart from, we should say, the Night Shelter, which three churches based in Sketty host).

It has become apparent in recent months, after a variety of different conversations, that many of us in UCS would like to see a greater relationship with our sister churches in Sketty. Of course, we can’t do this on our own – no relationship can be one-sided! However, to start the ball rolling, I have arranged a meeting for anyone from our church who is interested or who has contacts in other churches.

If this is you, please come along to the meeting, which is on Tuesday, 30 July at 2.30pm. The purpose of the meeting is to work out how we might fan the flames of renewed interest in a Sketty CYTUN or similar.

COFFEE MORNING ON SATURDAY, 3rd AUGUST
We are a group of friends who enjoy making all sorts of crafts. Our Swansea fundraising group started in October 2016. A committee of five volunteers organise various events to raise funds, including quizzes, special trips on the Copper Jack and collections outside supermarkets.

Everyone knows someone who has dementia and what a devastating effect it has on them and their loved ones. By raising funds and the profile of Alzheimer’s Research UK, we want to show that there is hope, that the disease eventually can be prevented. All the money raised in Wales, stays in Wales and helps fund the state of the art UK Dementia Research Institute based at Cardiff University, who work closely with the researchers at Swansea University.

We pool our resources and raise funds for the following two charities. We pay for all the materials so that 100% of the funds raised goes directly to the following charities:

1. Alzheimer’s Research UK
Alzheimer’s Research UK is the UK’s leading dementia research charity, dedicated to the causes, diagnosis, prevention, treatment and cure. The charities mission is to bring about the first life-changing dementia treatment by 2025.

Key areas of action:
· Understand the diseases that cause dementia.
· Diagnose people earlier and more accurately.
· Reduce risk, backed by the latest evidence.
· Treat dementia effectively.
These important strands of work, are bringing breakthroughs that will change lives.

2. The Old Mill Foundation
The Old Mill Foundation is a local charity. They run holistic cancer support from several venues, offering physical and emotional support for those living with cancer. The centres offer a range of complementary therapies including aromatherapy, Indian head massage, reflexology, hypnotherapy, relaxation classes and counselling. Therapies are offered free of charge to people living with cancer, although donations are always welcome. Centres are in Penclawdd, Llandybie and Port Talbot. THANK YOU FROM GERAINT J
I wish to say a big thank you to Leslie and her flock, for the support, cards, messages and flowers I received during my recent illness. I am pleased to say that I am getting better. We are lucky to have such a lovely church to be part of.
Geraint J

THANK YOU FROM JEAN AND ROY M
We would like to say thank you to everyone at UCS for the warm welcome we have received since our first visit, in March this year. We are pleased to have found a new spiritual home and are grateful to Leslie, who transferred our membership from St Andrew's, in Bradford, West Yorkshire to Uniting Church Sketty. It was good to take part in the service where four young people were received into membership, giving their testimonies so movingly and also to become part of this caring community.
Jean and Roy M

MESSAGE FROM JEAN K
Many thanks for your continuing concern about John and for help and visits for me. I am very grateful. I would be so sorry to miss you if you are kind enough to think of visiting me, so please ring me to check.
From Tuesday, 25th June, I will be residing at Stella Maris Care Home, Eaton Crescent, Swansea SA1 4QR.

IN MEMORY OF DENIS E
At this sad time, we send our love to Jean and all the family, who are in our prayers.

MESSAGE FROM DENIS E’S FAMILY
I would like to thank Leslie and all my church friends, for the wonderful care and support shown to Denis and myself, during his illness. Your prayers and kindness helped me so much during this extremely difficult time, especially during recent weeks. The cards, letters and expressions of sympathy received, have all been gratefully appreciated by myself and the family.

TOP SECRET NEWS!
Janet N and her sister attended Elstree Studios recently, to record an episode for Pointless. They don’t know when it will be shown on television and they cannot say anymore, as they have signed the “official secrets act”. Therefore it is pointless to ask anymore questions at this stage! However, watch this space for further bulletins.
BOB AND ANDY HAVE MOVED FROM SWANSEA!
Bob and Andy have moved from South Wales to North Wales! We will miss them greatly, but wish them all the best of luck in their new adventure and happiness in their new home. All church family and friends send their love and best wishes to them.
